

Press Release – [Cosmus Dissemination Greece + 18/4/2019 + Kallitehniko Gymnasio me Lykeiakas Taxeis Ampelokipon]

On April 18th, 2019 **Kallitehniko Gymnasio – L.T. Ampelokipon Thessalonikis** will organise a dissemination event for the Erasmus + European Project: ***COSMUS – Community Schools Museums***.

The event will be held at our school, at 8:30 in the morning, in our multi-use theatre room.

COSMUS - Community Schools Museums is an Erasmus+ three-year (2018-2021) educational programme, implemented by a synergy of schools, educational institutions and organisations from Portugal, Belgium, Greece, Spain, Italy, Poland, Rumania, Turkey. Its main goal is the creation of a school museum in order for the educational process to be finally in close contact with the local community as well as any community in its wider sense.

Our school is also taking part in another Erasmus+ programme, entitled CHIME - My City, My Home, My Responsibility, which started back in 2017 and will be reaching completion by the end of this year. In this programme we have been working together with schools from Rumania, Turkey, Spain, Portugal, Italy.

Both projects are part of our broader involvement in collaborations and actions of cultural interest that would provide our students with a humanistic education.

The pedagogical team consists of:

- Athina Ralli, School Director, Teacher of Greek Language
- Sofia Nika, Deputy Head Teacher, Teacher of German Language
- Despoina Daravigka, Teacher of English Language
- Alexandra Mylona, Teacher of Greek Language
- Charalampos Dimitrakopoulos, Teacher of Biology
- Efthymia Pavlidou, Teacher of Greek Language

and students of our School.

Our school community is invited to attend the event for the purpose of setting together the goals and the requirements of this project, that strengthens the European identity of our community.
