

Press Release

Art School of Thessaloniki (Kallitehniko Gymnasio – Lykeiakes Taxeis Ampelokipon) will be hosting an Erasmus+ dissemination and promotion event, on the completion of COSMUS – Community Schools Museums 2nd International Meeting, that was held in Thessaloniki, from 21 to 23 November 2019, at the Museum of Byzantine Culture and at our school.

This 2-hour information session will take place at our school, at both of our buildings on 15th January 2020 (Senior High School in Menemeni) and on 16th January 2020 (Junior High School in Ampelokipi), at 13:30. Art School invites all students and teachers, as well as every member of our school community that might be interested in attending.

The aim of the session would be to share with our community the multicultural dimension of our project, as evident in the banners completed by each partner for the aforementioned Transnational Meeting. To this context, we will be able to keep the community up to date, discuss the possible content of our own museum and share opinions, strengthening thus the dynamics of our project as a whole. It will be also a reflection of our transnational meeting and an impulse to additional thoughts and further activities.
